*Sayings of the Desert Fathers: Abba Achilles*

An old man who came to see Abba Achilles found him spitting blood out of his mouth. He asked him, 'What is the matter, Father?'" The old man answered, 'The word of a brother grieved me, I struggled not to tell him so and I prayed God to rid me of this word. So it became like blood in my mouth and I have spat it out. Now I am in peace, having forgotten the matter.'
