### **Discourse on the Birth of the Theotokos - St. Andrew of Crete**

"Let there now be one common festal celebration in both heaven and on earth. Let everything now celebrate, that which is in the world and that beyond the world. Now is made the created temple for the Creator of all; and creation is readied into a new Divine habitation for the Creator. Now our nature having been banished from the land of blessedness doth receive the principle of theosis and doth strive to rise up to the highest glory. Now Adam doth offer from us and for us elements unto God, the most worthy fruit of mankind -- Mary, in whom the new Adam is rendered Bread for the restoration of the human race."
